

ATMOSPHERE, FIRE AND LIFE

In Munich's Maximilianstrasse, the brenner restaurant has been all about enjoyment since 2003. In the columned hall of the Marstall, the brenner conveys an inspiring urban feeling: fast, well-trained service, the old building fabric with timeless elements and the unique division of the impressive space create a dynamic that is uncomparable.

The barbecue area is characterized by the open fireplace in the middle of the room; in the second area high-quality pasta is made fresh and by hand every day. The brenner Bar stands for itself. Its perfectly coordinated cocktail creations await you alongside brenner classic aperitivi. New York bar culture meets Milan.

In culinary terms, we follow a health-conscious diet at the highest level. High-quality meat and fish dishes, delicious salads

salads, homemade bread, pasta and desserts as well as a selected wine list ensure culinary enjoyment. At brenner, the product is always served pure. Only olive oil and sea salt emphasize the Mediterranean note.

We combine two cultures - northern Italy and southern Germany, Milan and Munich - to create into a harmonious, urban, vibrant atmosphere.

BRENNER FACTS

FURNISHING

Equipment and furniture are designed with a great deal of intuition based on the original historical structure of the building. The terrazzo floor was laid by Italian master craftsmen in a traditional and elaborate process. The individual areas are separated by wrought-iron elements made in Munich. There is also plenty of warm wood for chairs and tables, as well as benches with high-quality leather upholstery.
